FOREWORD FROM THE DIRECTOR

ASSOC. PROF. DR. ABDUL SALAM MIUHAMAD SHUKRI

The blessed month of Ramadan is coming again, and let's us welcome it with the spirit of *taqwa* (God's consciousness) and keep it with a special relationship with the Qur'an. In fact, Ramadan is the month of Fasting, the month of *taqwa* and the month of al-Quran.

Fasting in the month of Ramadan is obligatory for every Muslim. Surely those who are fasting will attain God's consciousness, the core value of Islam and of every Muslim. In deed, Ramadan is the month where the Qur'an was re-

vealed. This blessed month has a special relationship with the Qur'an. "The month of Ramadan is the one in which the Quran was sent down, a guidance for mankind, clear proofs for the guidance, the Criterion; so whoever amongst you witnesses this month, let him fast it." (Surah al-Baqarah 2:185). Let's us take this advantage of the Qur'an to bring us higher in the eyes of Allah and humankind.

“Surely those who are fasting will attain God’s consciousness, the core value of Islam and of every Muslim”.

The Sultan Haji Ahmad Shah Mosque, IIUM Gombak Campus has planned *Ihya'* Ramadan programmes 2017 including “*Ahlan wa sahlan ya Ramadan*”, *iftar jama'i*, *tarawih*, *moreh*, *tadhkirah Ramadan*, *tadarus al-Qur'an*, *sahur*, al-Qur'an memorization competition, Ramadan fund collection, counter for *zakat* collection, a special grand talk and others in order to fasten our belief in Allah, Prophets and the Hereafter as well as instill the value of *taqwa* in us.

Let's us strive together in the spirit of unity and brotherhood, so that Islam will rise again and Muslims will be the upholder of justice and humankind will return to the original nature by believing in the unity of Allah and worshipping Him alone.

Allah is the Greatest!

Ramadan Mubarak.

DEPUTY DIRECTOR, OFFICE OF SULTAN HAJI AHMAD SHAH MOSQUE, IIUM GOMBAK CAMPUS

“By performing fasting, the soul will be strengthened with self-refrain and self-control from the evil deeds towards a more purposeful life, so that people achieve intimacy and closeness with the Creator

Ramadhan is the ninth month in the *Hi-jri* calendar which began when the Prophet Muhammad SAW migrated from Makkah to Madinah. It is a month of blessing and mercy where every Muslim performs their *‘ibadah* and their mere worship to the Creator. Depending on the sighting of the crescent moon, Ramadhan begins this year on 27th May 2017, Saturday. The month of Ramadhan according to the lunar calendar comes ten days earlier every year as compared with the solar calendar.

The word Ramadhan literally derived from the Arabic word with the meaning of intense heat or burning. Among the most notable *‘ibadah* specified during Ramadhan is performing the obligatory thirty days of fasting. Fasting in this month is connotated as burning or melting of sin. By implementing the *‘ibadah*, Muslims’ sins will be erased by The Almighty. It is prescribed to all humanity before the emergence of Islam, as well as to Muslims of the *ummah* of Muhammad SAW for the noble purpose of enhancing *taqwa* and God-Consciousness as enshrined in *Surah al-Baqarah*, verse 2:183.

“O you who believe! Fasting is prescribed for you as it was prescribed for those before you, that you may become Al-Muttaqun (the pious)”.

It is important to note that the Noble Quran, the Book of guidance for every Muslim was revealed from *Lauh al-Mahfuz* (The Safety Tablet) to the Heaven of the Earth (*samu’ al-dunya*) during this month. It was later revealed to the Prophet Muhammad SAW in twenty years, thirteen years in Makkah and ten years in Madinah. The event is celebrated by Muslims in Malaysia through the remembrance of *Nuzul al-Qur’an*. Allah SWT said in *Surah al-Baqarah*:

“The month of Ramadan in which was revealed the Quran, a guidance for mankind and clear proofs for the guidance and the criterion (between right and wrong). So whoever of you sights (the crescent on the first night of) the month (of Ramadan), he must fast that month, and whoever is ill or on a journey, the same number (of days which one did not fast must be made up) from other days” (2:183).

Human being is born with a natural belief of Allah but may change due to environmental influences and parental education. The human’s soul might have inclination towards good and evil based on their rational (*‘aql*) and faith or based on their desire or whims (*Hawa*). Through fasting, the soul will be strengthened with self-refrain and self-control from the evil deeds towards a more purposeful life, so that people achieve intimacy and closeness with the Creator as enlightened by Allah SWT, *“And that you fast, it is better for you if only you know”*. (2:184).

Fasting seeks to educate people not only to control the desire over food and lust, it also aims at inculcating sympathy and understanding on the situation of the poor and needy with their feeling of hunger and pain. It is also a mean to invoke the forgiveness of sins and errors caused by the values of the animal in man, by Allah The Almighty as enshrined in the Quran:

“And do not have sexual relations with them (your wives) while you are in Itikaf in the mosques. These are the limits (set) by Allah, so approach them not. Thus does Allah make clear His signs to mankind that they may become Al-Muttaqun (the pious)” (2:187).

As a conclusion, it is worth to note that fasting is an *‘ibadah* which is obligated by Allah for human’s benefit and spiritual education. Allah does not aim at making it as difficult a burden for humanity, but it is rather an act of devotion to gain His pleasure and rewards in this world and the Here After. He said in *Surah al-Baqarah*:

“Allah intends for you ease, and He does not want to make things difficult for you. (He wants that you) must complete the same number (of days), and that you must magnify Allah for having guided you so that you may be grateful to Him”. (2: 185).

In conjunction of this blessed month, the IIUM SHAS Mosques (Gombak and Kuantan) will be organizing events and programmes to promote the spirit of *‘ibadah* and *taqarrub ila Allah* (to get closer to Allah) including weekly spiritual talks in collaboration with Management Service Division. It is very much hoped that the IIUM community will grab this opportunity to gain His rewards as well as seek the blessed night of *al-Qadr*.

Ahlan wa sahlan ya Ramadhan!

WORLD QUR'AN HOUR 2016

PREPARED BY: MOHAMAD SYARIFUDIN BIN SABRI

IIUM Sultan Haji Ahmad Shah Mosque has achieved most of his mission by contributing towards an efforts and providing many prominent programmes and activities which were organized in both university and national level for years. The high level of commitment and passions are mostly directed towards achieving visions in play-

ing roles as an immaculate center for Tarbiyyah Ruhiyyah. This is eventually to promote the culture of Islamic intellectualism and Ummatic consciousness in line with IIUM's vision. As for 2016, IIUM Sultan Haji Ahmad Shah Mosque once again with glory had initiated a grand event known as the World Quran Hour 2016.

“The programme, which was held nationwide concurrent with 50 other countries set an objective to urge Muslims to return to the Qur’an and make it as a guide in their daily life”.

SCHOOL HOLIDAY PROGRAMME

During the school holiday, IIUM SHAS Mosque also organized School Holiday Programme from 19 to 22 November 2016 for the children of IIUM staff. There were about 100 participants involved in this programme.

The activities such as Quran memorisation, Murajaah session, and Quiz were included in the programme. The objective of this programme is to train the participants in memorising the Quran, preparing the future Quranic generation.

In September 2016, Yayasan Warisan Ummah Ikhlas with collaboration with Sultan Haji Ahmad Shah (SHAS) Mosque, International Islamic University Malaysia held a big and first ever programme called World Quran Hour.

This programme started at 9.00 in the morning until 10.00 and participated by more than 4000 participants from IIUM and public community in SHAS mosque main prayer hall.

The programme, which was held nationwide concurrent with 50 other countries set an objective to urge Muslims to return to the Qur’an and make it as a guide in their daily life.

SEMUA kakitangan UIAM akan dihimpunkan sekali pada setiap bulan dalam program IUM Usrah.

Erat kakitangan menerusi usrah

institusi

BERSELISIH di luar, tetapi tidak berani untuk bertegur sapa. Situasi ini adalah antara keadaan yang sering berlaku dalam kalangan kebanyakan masyarakat di negara ini.

Walaupun berada sebumbung atau tempat sama, namun realitinya ramai dalam kalangan kita yang tidak mengenali antara satu sama lain. Hal ini berkemungkinan disebabkan masing-masing sibuk dengan tanggungjawab dan urusan sendiri selain terdapat ramai individu di sesuatu institusi tersebut.

Sehubungan itu, dalam usaha mengeratkan hubungan antara kakitangan, Universiti Islam Antarabangsa Malaysia (UIAM)

mengambil inisiatif melancarkan program *IUM Usrah* dalam kalangan warga kerja di universiti tersebut.

Rektor UIAM, **Profesor Datuk Seri Dr. Zaleha Kamaruddin** berkata, program itu akan mengumpulkan semua pegawai dan kakitangan di UIAM pada setiap bulan iaitu Jumaat terakhir di Masjid Sultan Haji Ahmad Shah, UIAM, Gombak, Selangor.

IUM Usrah juga tambahnya, memberi peluang kepada kakitangan untuk berkongsi dan saling bertukar ilmu serta idea dalam semua aspek termasuk perkhidmatan bagi merealisasikan misi serta visi universiti.

"Program usrah ini telah lama diadakan tetapi hanya dalam kalangan pelajar. Namun kali ini kita merasakan konsep sama perlu didedahkan kepada setiap kakitangan bagi mengeratkan

aji ukhawah antara mereka yang terdiri dari dalam dan luar negara.

"Semua kakitangan akan dibahagikan mengikut kumpulan masing-masing yang diketuai seorang *naqib* (ketua pembimbing). Menerusi platform ini memberi peluang kepada kakitangan untuk meningkatkan lagi kefahaman dan kemahiran mereka sebagai *murabbi* (pendidik)," katanya ketika ditemui selepas melancarkan program Wakaf Ilmu bersempena *najlis al-Liqa' al Jamaie* di UIAM, Gombak, baru-baru ini.

Turut hadir, Pengarah Masjid Sultan Haji Ahmad Shah, UIAM, **profesor Dr. Abdul Salam Muhammad Shukri** dan Pengarah Eksekutif Kewangan UIAM, **Jatuk Zailan Shaari**.

Pengisian *IUM Usrah* akan dimulakan dengan program *IUM curan Hour* sebagai asas kepada program tersebut diikuti dengan modul yang ditetapkan.

Mengulas lanjut, Abdul Salam yang juga merupakan penyelaras program berkata, bermula pada tahun hadapan, sebanyak 10 pertemuan telah disusun untuk diadakan sepanjang tahun.

"Antara modul yang ditetapkan adalah perbincangan kitab Hadis 40 Imam Nawawi, *Riyadhus Shalihin* selain isu-isu semasa. Setiap ahli kumpulan boleh berbincang dan memberikan pandangan masing-masing dalam isu dibincangkan.

"Di samping itu, usaha ini juga bertujuan menggalakkan warga di UIAM untuk mengimarahkan masjid bukan hanya pada waktu solat tetapi luar waktu," ujarnya.

PROGRAM IUM USRAH:

- 1. KUMPULKAN semua pegawai, kakitangan universiti pada setiap bulan iaitu Jumaat terakhir di Masjid Sultan Haji Ahmad Shah, UIAM.
- 2. BERI peluang kakitangan berkongsi, saling bertukar ilmu, idea dalam semua aspek termasuk perkhidmatan.
- 3. PROGRAM usrah telah lama diadakan tetapi hanya dalam kalangan pelajar.

TOT FOR NUQABA' OF IIUM USRAH FOR STAFF - GOMBAK CAMPUS

Astonishing Dedication: The trainers were taking notes on the briefing

PREPARED BY: FAKHRULLAH ZULKIFLI

On 24th February 2017, SHAS Mosque office in collaboration with Centre for Islamization (CENTRIS) had organized a training for trainers among nuqaba' for an Usrah programme for IIUM Staff. Around 50 trainers attended the training which started as early as 9:00 am. The event was initiated with a welcoming remark by Assoc. Prof. Dr. Abdul Salam Muhamad Shukri, the Director of IIUM Mosques, SHAS Mosque Gombak campus.

He urged the trainers to look at the Usrah programme managed by IIUM SHAS Mosque and CENTRIS as an initiative for IIUM Staff to improve themselves, not only as a person but also towards becoming a murabbi and daie' for the ummah and IIUM community, per se. The training was conducted by the Director of Centre for Islamization (CENTRIS), Assoc. Prof. Dr. Akmal Khuzairy Abd. Rahman. He gave the briefing to the trainers about the Usrah programme which comprised the explanation about the modules, the schedule and the strategy to conduct an Usrah.

Apart from that, he reminded that the trainers should take it easy on the participants of the Usrah Programme due to the diversity of IIUM Staff's background. He encouraged the trainers to be more creative and flexible when conducting the Usrah in order to achieve the objectives at the end of the programme.

Above: Dr. Akmal gave the briefing

The Usrah programme will be targeting IIUM Staff specifically as targeted participants. This is the first collaboration between SHAS Mosque and CENTRIS in organizing an Usrah programme after the success of Ibadah Camp and Al-Liqa' programme which follow the same idea of Usrah but in a bigger and general group. With the implementation of Usrah, the grouping will be more systematic and smaller. Hence, the organizers are confident the Usrah programme is a necessity towards achieving the objective of IIUM, which is to produce individual who is capable to work for the world and to the way of Allah –

CALLING FOR SUBH (COSPAC)

PREPARED BY: DZHAHERA

SHAS MOSQUE, IIUM GOMBAK: Calling for Subh (COSPAC) was organized by SHAS Mosque and Imaratul Masjid Group (i-Masjid) in collaboration with Student Representative Committee (SRC) IIUM, Mahallah Representative Coordination Council (MRCC) IIUM and Da'wah Based Societies IIUM.

This programme has started since last year (2016) where the Jamaah performed a Congregational Subh Prayer at Prayer Hall of SHAS Mosque, IIUM Gombak Campus. It is an initiative due to increase the number of attendance of Subh prayer at the Mosque. With tagline #SubhWarrior and #IIUMRapatkanSaf, the organization involved keep struggling on conducting this programme in a massive scale during a long semester. In addition, the mosque held Subh Lecture every week to attract people to perform Subh prayer congregationally at the mosque, followed by Grand Congregational Subh Prayer once per month during semester.

“This campaign to some extent been realized by many of its importance in society. The main aim of this programme is to encourage IIUM Community to perform their Subh prayer congregationally at the mosque. The organization of this programme took this responsibility in order to increase the number of members of congregational Subh prayer at the mosque.” said Helmi, President of i-Masjid 16/17 IIUM.

“The objective of this campaign is to enliven the Sunnah of Prophet Muhammad Salallahu ‘alaihi wasallam in which to perform congregational prayers at the mosque.”

“The objectives of this campaign are to enliven the Sunnah of Prophet Muhammad Salallahu ‘alaihi wasallam in which to perform congregational prayers at the mosque. Other than that, it aims to encourage the whole community of IIUM to perform congregational prayers at the mosque and strengthen the relationship between student societies, Mahallah, staffs of IIUM and IIUM Community at large. Then, it is to instill the value and virtue of punctuality in every individual of IIUM community.” He added.

The speaker of Subh Lecture invited is among the famous figure who are might attract people to come to the mosque.

Alhamdulillah, based on the previous programme, COSPAC has achieved around 500 to 900 participants among IIUM Community. Apart from that, this programme had provided transportation from Mahallah to SHAS Mosque for to ease and to guarantee students safety while attending the congregational subh prayer. IIUM shuttle bus with Calling for Subuh signage will come and pick them at their respective mahallah in a specific time and place that were readily informed through social media.

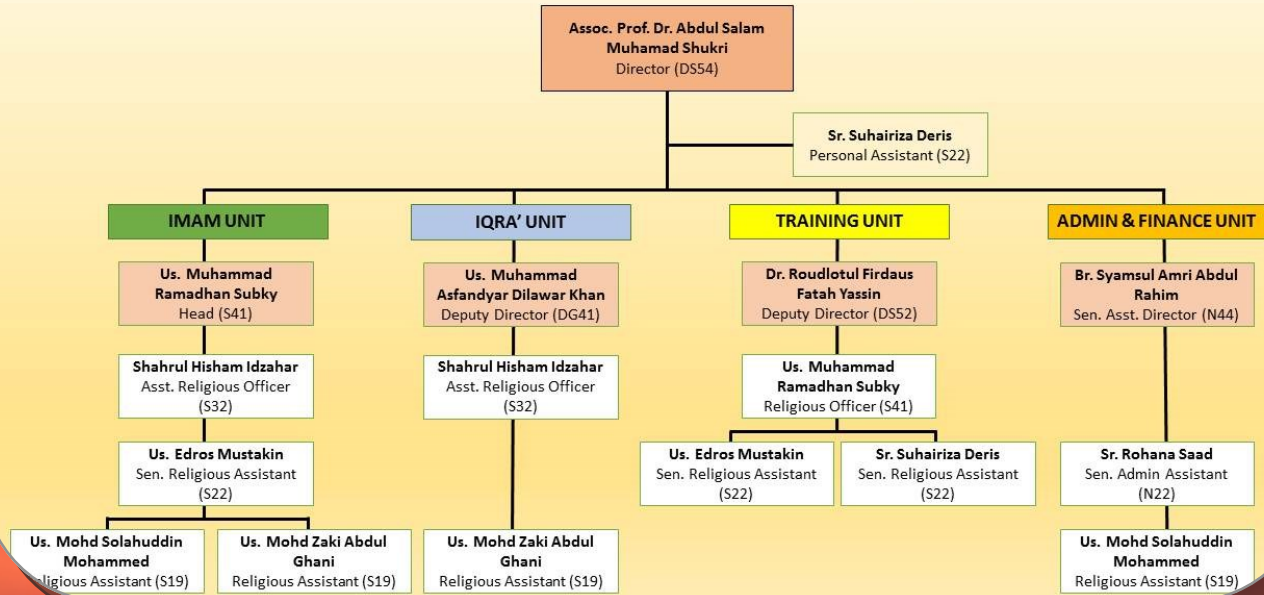

Reminiscing the achievements of COSPAC in general, this programme had achieved an unexpected amount of goals. Only God can reward with the best of rewards to those involved. We hope this programme gives a great impact and contribution towards creating a successive Islamic environment in IIUM.
